INFORMATION DISCLOSURE STATEMENT

Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

Applicant submits herewith patents, publications or other information of which he is aware, if any, which he believes may be material to the examination of this application and in respect of which there may be a duty to disclose in accordance with 37 CFR 1.56.

The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made (37 CFR 1.56), an admission that the information cited is, or is considered to be, material to patentability or that no other material information exists.

The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. Notice of January 9, 1992, 1135 O.G. 13-25, at 25.

Any such patents, publications or other possibly material information which are known to the Applicant are listed on the enclosed Form PTO/SB/08. After reasonable inquiry, no other information material to examination of the above-referenced application is known to Applicant or his representatives.

Consistent with the waiver of the requirement that copies of each cited U.S. patent and each U.S. patent application for all U.S. national patent applications filed after June 30, 2003 and for all international applications that have entered the national stage after June 30, 2003, copies of any such cited patents and patent applications are not submitted herewith.

This Information Disclosure Statement is being filed within three months of the filing date of the application or date of entry into the national stage of an international application or before the mailing date of a first Office Action on the merits, whichever event occurs last, in keeping with 37 CFR 1.97(b).

Please charge any deficiency in fees and please credit any excess in fees to Deposit Account 07-1985.
